

FAST FACTS

Mission Hospital

As one of the busiest designated adult and pediatric Level II Trauma Centers in the state of California, Mission Hospital provides a full range of specialty health care services with highly skilled teams treating a multitude of complex conditions. Mission Hospital has two campuses—Mission Viejo and Laguna Beach.

Mission Hospital was founded in 1971 by a group of physicians and partnered in 1993 with CHOC Children's Hospital to provide pediatric services. In 1994, the hospital became a member of St. Joseph Health. In 2009, Mission Hospital acquired our Laguna Beach hospital. In 2016 Mission Hospital joined the Providence Health family of 51 hospitals.
