

Valiant Women

Dear Friend of Valiant Women,

In October during Breast Cancer Awareness Month, Valiant Women of Mission Hospital will partner with The Shops at Mission Viejo to host the THINK PINK Breast Health Wall of Honor. This incredible event encourages the community to honor breast cancer patients and survivors through a beautiful collection of tributes on the Wall.

Every two minutes a person is diagnosed with breast cancer. Women in our community have a one in eight chance of being diagnosed with breast cancer sometime in their life. Breast cancer, when caught early, can be treated. Mammography is the most effective breast cancer screening procedure. Early detection saves lives.

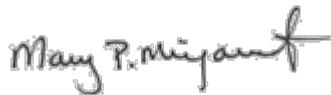

With the generosity of the community and donors like you, last year, the Wall of Honor raised net proceeds of more than \$40,000 to support Providence Mission Hospital Breast Health Services and funded diagnostic care for under-insured or uninsured members in our south Orange County community.

Please join us in raising funds for this year's event. Your sponsorship or donation will help us honor breast cancer survivors, remember those we have lost, and remind everyone that the fight is not over. Sponsorship level information, a donation form and a postage-paid envelope are enclosed for your convenience.

Please complete and return the enclosed form with your donation or commitment by September 15, 2022 to ensure appropriate recognition at the Wall of Honor. If you have any questions, please feel free to call Cindy Williams at (949) 365-3893 or email at Cynthia.Williams@providence.org.

Thank you in advance for your Spirit of Giving we appreciate your help in raising awareness about breast health and providing our community with the highest quality care.

Sincerely,

Mary Miyamoto
Chair, THINK PINK Wall of Honor
