

FAST FACTS

Providence Mission Hospital

As a designated adult and pediatric Level II Trauma Center – and the only one serving South Orange County – Providence Mission Hospital provides a full range of specialty health care services with highly skilled teams treating a multitude of complex conditions. We have two campuses – Mission Viejo and Laguna Beach.

Providence Mission Hospital was founded in 1971 by a group of physicians and partnered in 1993 with CHOC at Mission Hospital to provide pediatric services. In 1994, the hospital became a member of St. Joseph Health. In 2009, we acquired our Laguna Beach hospital and, in 2016, we joined the Providence family of 52 hospitals.
